JFK wins 1/31/66 speech - he smiled, he said in
Have you been behaving yourself the return-
lately? If not, give me a call. Made
two of his aides, during which he named
one military aide as successor by the J. Chiefs as
would be a good idea to cite several cases of
previous chiefs giving US, i.e. to Kennedy -
Bay Pigs, Berlin Wall in which Khrush-
mo humiliated & Taylor & others in SEA
And JFK was even close to Kennedy (1961) -
(This is the Winston Churchill of AS ia)
(And 10, no men in jail than before US
Alleged "Limited Nuclear War")
Who are "those who support the aggressor" Vietnam?
U.S. allies? What will LBJ do then?

Do resumed bombing work to facilitate right-
wing opposition to Communists, which is how
work nothing can at best hope for stalemate
& at worst a "defeat"? However in mourns Goldberg's
resolution, once he insists the guest is at Security Council,
can he protect stronger one? And will do bar - I
image.
